

SIGNATURE DRINKS

MITO

MITO: The origin or meaning of natural, social or cultural phenomenon.

*Mito Restaurant is a form of cultural expression.
A retelling of our past and a vision of our future
through our dishes and drinks.*

Conceptual Cocktail's

*The foundation of our Bar program lies not only in
the harmonious blend of flavors, aromas, and expe-
riences, but also in the deep understanding of
each product, its culture, and history.*

*Mito reinterprets stories through every signature
creation. We draw inspiration from each spirit
(alcohol) and cast them as the main characters in
our narrative.*

*Our cocktails are more than just drinks; They are
Myths, they are Legends. They are Mitos.*
